## News from the School Nurse

- ❖ Thursday, April 25th, the school nurse will be available to administer vaccinations to students who are missing required vaccines. If your child is behind on their vaccinations and you would like them to receive it at school please contact the elementary office for a permission form or for more information. As a reminder: TDap must be administered before the start of 7th grade.

## After School Program News

- ❖ ASP Parents:  
Please send a note if you will be attending FACT night and want your child to stay after ASP on that day, Thursday, April 11th. If you do not send a note, your child will be sent home in the usual manner.
- ❖ ASP Parents:  
With baseball/softball season upon us we would like to ask for your assistance with destinations during and/or after ASP for your child. Please send a note/schedule if your child needs to leave ASP early for practice or if they have a different plan for after ASP than usual. This will ensure

they are in the right place at the right time. Thanks!!
