- Vision Screening - Tues., Sept. 20
A free vision health screening is being offered by the Lions Club Volunteers. The screening uses the Plusoptix Screener which takes an instant scan of your child's eyes to determine the possible presence of eye health disorders. No physical contact is made with your child and eye drops are not necessary. For a scan to be obtained the student simply looks at a smiley face for a brief time. If you wish, visit www.plusoptix.com online to learn more about the scanner. If you do not want your child to participate, please call the office at 295-4321.
- Elementary School Pictures are scheduled for Wed., Oct. 19. More information to come.

After School Program

- ASP Registration - Registration is open to 1st - 6th grade students. TK and Kindergarten students who have older siblings are also welcome to attend. Tuesdays and Thursdays, 3:30 - 5:30 pm. Limited bus service available after the program. Please contact our Transportation Coordinator, Keith Haggerty at 293-1170, for bus information. Registration is required before attending. Forms available in the office.
